

NOMINATION CRITERIA FOR PARIS 2024 OLYMPIC GAMES

1. INTRODUCTION

- 1.1 **Application:** This Nomination Criteria (“**Policy**”) for the Paris 2024 Olympic Games (“**Paris 2024**”) is issued by the CRNZ Board and ratified by the New Zealand Canoe Federation (“NZCF”) Board and issued on 1 March 2023 and amended on 29 May 2023 and 12 February 2024.
- 1.2 **Aim:** CRNZ’s aims in Nominating Athletes for Paris 2024 are:
- (a) to win medals and produce outstanding performances for New Zealand; and
 - (b) if CRNZ does not consider the threshold in clause 1.2(a) is attainable in Events at Paris 2024, to provide development opportunities to athletes who display capability of winning medals at the Los Angeles 2028 Olympic Games.
- 1.3 **CRNZ Selection Regulations Not Applicable:** The CRNZ Selection Regulations do not apply to this Policy, because this Policy is governed by the NZOC Selection Policy and NZOC Selection Regulation. This varies clause 1.1 of the CRNZ Selection Regulations.
- 1.4 **ICF Qualification System:** This Policy is subject to the ICF Qualification System for Canoe Sprint. As such:
- (a) **Quota places:** New Zealand must qualify quota places for Events in accordance with the ICF Qualification System. Qualification of a place in any Event by an Athlete (or Crew) does not guarantee that Athlete (or Crew) will be Nominated or Selected to compete in that Event at Paris 2024; and
 - (b) **Maximum number of Athletes:** Subject to clause 1.4(a) above, the NZOC may enter a maximum of 6 female and 6 male Athletes to compete in Events, subject to qualifying the relevant quota places; and
 - (c) **Accepting quota places:** Under the ICF Qualification System, CRNZ may be required to choose between different boat quota places.¹ If this is required, the CRNZ Selectors will accept the boat quota place that provides the largest number of athlete quota places.
- 1.5 **Multiple Events:** Subject to clause 6.7, CRNZ may nominate an Athlete(s) to compete in multiple Events for which New Zealand has qualified quota places at Paris 2024. In addition, at the sole discretion of the NZOC, Athletes who are Selected to the Paris 2024 team may request permission (or CRNZ may request permission on one or more athlete’s behalf) to start in other Events where there is an available place and where competing in this Event will not have any detrimental effect on the Event the Athlete(s) have already been selected for.

¹ For example, following the 2023 World Championship it may be necessary to choose between a K4, K2 and/or K1 quota place; and after the 2024 Oceania Championship it may be necessary to choose between a K2 and K1 quota place.

1.6 **Outline:** The New Zealand Olympic Committee (“**NZOC**”) is the final decision-maker in respect of Selection for Paris 2024. This modifies the usual CRNZ selection process and therefore, the format of this Policy. The nomination and selection process for Paris 2024 works as follows:

- (a) Athletes must meet the Eligibility Criteria (see clause 3); and
- (b) The Lead Coach will make recommendations to the Selectors on Crews he/she considers should be Nominated to the NZOC in accordance with clause 5; and
- (c) The Selectors will determine which Athletes from those earning consideration under clause 4 and Crews recommended by the Lead Coach under clause 5 will be Nominated to the NZOC for consideration of Selection in an Event at Paris 2024; and
- (d) The NZOC will determine which Athletes from those that have been nominated by CRNZ meet the NZOC Selection Policy and will be selected in the New Zealand Team to compete at Paris 2024.

1.7 **Definitions:** Where a word is capitalised it will have a definition. Definitions can be found in Appendix 1 of this Policy.

1.8 **Events:** This means an event at Paris 2024 in which an Athlete competes individually or as a Crew in one of the following:

| Men’s Events | Maximum number of boats | Women’s Events | Maximum number of boats |

| K1 1000 | 2 | K1 500 | 2 |

| C1 1000 | 2 | C1 200 | 2 |
| C2 500 | 2 | C1 500 | 2 |

For the sake of clarity, C1 and C2 Events may only be entered as multiple Events by Athletes who have been Selected to the Paris 2024 team in accordance with clauses 1.5 and 6,7 of this Policy.

The CEO has full and final discretion to determine whether to grant this request, and must provide reasons in writing to the Selectors.
