- 2.4 For the purposes of this Nomination Criteria, “Conflict of Interest” means a situation where a **NZSF** Selector has a personal, financial, or other material interest that is, or is likely to, have an impact on the nomination or non-nomination of an Athlete, or the role and responsibilities of that person as a **NZSF** Selector. For example, this includes a relationship as a previous or existing coach of an Athlete, or a family relationship with an Athlete or where nomination or non-nomination affects another person that the **NZSF** Selector has a relationship as a previous or existing coach of an Athlete, or a family relationship with an Athlete.

- (g) from 5 February 2016 has provided their name and contact address details registered to the NZOC for the purpose of out-of-competition drug testing by Drug Free Sport New Zealand.

NOTE: It is the Athlete's responsibility to ensure compliance with each of these requirements by the dates specified. It is recommended that the Athlete pursues confirmation/acknowledgment of receipt from each intended recipient where relevant to ensure compliance. The e-mail addresses of each Discipline office and the **NZSF** Sport Development Manager are set out in Schedule C: Any changes in the addresses will be notified to all Athletes who have recorded their details under clause 3.1(a).

- 3.2 **Qualification:** New Zealand must qualify for places in an event(s) in accordance with the ISSF's Qualification System – Games of the XXXI Olympiad – Rio 2016 ("IF Qualification System") and/or ISSF requirements for the Games. Qualification for a place in any event(s) by an Athlete does not guarantee that Athlete will be nominated or selected to compete in the event(s) at the Games.
- 3.3 **Number of Discipline Events:** An Athlete can only be nominated for a maximum of two Discipline Events unless the **NZSF** Selectors consider the Games programme allows for an Athlete to compete in more than two Discipline Events and it will not be detrimental to the overall performance of the Athlete.
- 3.4 **Nomination if Nomination Criteria Met:** Provided the requirements set out in clause 3.1 and 3.2 are met, the **NZSF** Selectors shall nominate those Athletes it considers meet the Nomination Criteria set out in clause 4.

4. Nomination Criteria

This clause 4.0 (Nomination Criteria) is applicable to all Disciplines unless otherwise specified in this Nomination Criteria e.g. clause 4.7(b).

- 4.1 **Nomination Criteria:** The **NZSF** Nomination Criteria for nomination to the Games Team is made up of two parts:
 - (a) the Over-Riding Nomination Criteria specified in clause 4.2; and
 - (b) the Specific Nomination Factors specified in clause 4.3.
- 4.2 **Over-Riding Nomination Criteria:**
 - (a) In determining whether or not to nominate an Athlete to the Games Team for any Discipline Events, the **NZSF** Selectors must be satisfied overall that:
 - (i) the Athlete is capable of achieving a top 16 placing at the Games in the Discipline Event, with the potential to win an Olympic Diploma (top 8 placing); and
 - (ii) the Athlete has a track record of sufficient quality and depth that the **NZSF** believes demonstrates the Athlete will be competitive at the

Games and will perform to the level specified in clause 4.2(a)(i) in that Discipline Event.

- (b) **Evidence:** In determining whether or not the Athlete has met the Over-Riding Nomination Criteria for Discipline Events in clause 4.2(a) above, the **NZSF** Selectors must be satisfied as a minimum that the Athlete:
- (i) has met or exceeded **two** MQS scores listed in Schedule A in the applicable Discipline Event at any of the Key Competitions in the period 1 September 2014 to 31 March 2016; **and**
 - (ii) has attained at least **one** of the two MQS scores at an International Competition identified for that Discipline in the Key Competitions in Schedule B2; **and**
 - (iii) is ranked in the top three in their Discipline Event on the **NZSF** Five Match Ranking List (see clause 4.6); **and**
 - (iv) has attained the ISSF MQS in an ISSF Sanctioned Competition.

NOTE: *Key Competitions are those listed in Schedules B1 and B2 but for a particular Athlete it also includes any substituted International Competitions approved by the **NZSF** under clause 4.9.*

4.3 **Specific Nomination Factors:** When considering the Over-Riding Nomination Criteria above, the **NZSF** Selectors may also take into account any one or more of the following factors about an Athlete:

- (a) any other performances or results in competitions / events in addition to the Key Competitions;
- (b) adequate fitness and a commitment to maintain a fitness and training programme as agreed with the applicable coach(es);

- (h) demonstrated ability to take personal responsibility for self and their results;
- (i) proven ability to be reliable; and
- (j) any other factor(s) the **NZSF** Selectors consider relevant.

4.4 **Own Enquiries:** In considering any one or more of the above factors, the **NZSF** Selectors may make such enquiries of the Athlete, or other persons, as they see fit.

- 4.5 **Weight to be Given to Specific Nomination Factors:** The **NZSF** Selectors may give weight to any one or more of the Specific Nomination Factors and, if they do, they may apply such weighting to one or more Athletes. No particular factor shall be weighted more or less significantly by reason only of the order in which that factor appears in this Nomination Criteria.
- 4.6 **NZSF Five Match Ranking List:** After the last Key Competition (see Schedules B1 and B2) for each Discipline, **NZSF** shall compile a **NZSF** Five Match Ranking List for that Discipline which, subject to clauses 4.7 and 4.9 below, ranks each Athlete's scores in each Discipline Event by:
- (a) the Athlete's **two** highest MQS scores achieved from the Key Competitions, one of which must have been achieved at an International Competition (see clause 4.2(b)(ii)); and
 - (b) the Athlete's next three highest scores (whether MQS scores or not) achieved from the Key Competitions.

NOTE: See clauses 4.7 and 4.9 as to eligibility of scores.

- 4.7 **Inclusion of Scores:** The following clause assists to determine which scores achieved by an Athlete can be included as scores for the purposes of clauses 4.2, 4.6 and 4.8:
- (a) **ISSF Sanctioned Event:** For any score from an ISSF Sanctioned Event listed in the Key Competitions to be included, an Athlete must have qualified as a member of the **NZSF** official team to attend a ISSF Sanctioned Event. If an Athlete does not qualify but still attends the ISSF Sanctioned Event through some other means, the score achieved by the Athlete will not be included.
 - (b) **50m Small-bore Rifle Events and 50m Pistol Events at ISSF Sanctioned Event:** In addition to clause 4.7(a) above, if an Athlete obtains MQS scores from each of the elimination and qualification match rounds in a Discipline Event, at a ISSF Sanctioned Event listed in a Key Competition:
 - (i) only the one highest MQS score can be included from that ISSF Sanctioned Event for the purposes of clauses 4.2 (b)(i) and (ii) and 4.6(a);
 - (ii) the second or lower MQS score from that ISSF Sanctioned Event can be included for the purposes of clauses 4.6(b) and 4.8.

NOTE: The two MQS scores required in a Discipline Event under clause 4.2(b) must come from 2 separate International Competitions.

- (c) **Scores at Key Competitions in Schedule B and for a particular Athlete from any substituted International Competition under clause 4.9 but not for those Key Competitions in Clause 4.7(a) and/or (b) above.** Additional provisions for such scores are as follows:

- (i) if at such Key Competition a Discipline Event includes a specific ISSF National Event, and the score achieved by the Athlete in that ISSF National Event is a MQS score, it is the only score that is included for MQS purposes from the Discipline Event from that Key Competition for that Athlete; but
- (ii) if at such Key Competition a Discipline Event does not include a specific ISSF National Event then the first MQS score achieved by the Athlete in the Discipline Event is the only MQS score that is included for MQS purposes from the Discipline Event from that Key Competition for that Athlete; but
- (iii) if the **NZSF** stipulates a Discipline Event within specific Key Competition in which MQS scores can be achieved, the NZSF will specify which MQS score achieved in that stipulated Discipline Event can be included for MQS purposes for that Athlete.

NOTE: Unless otherwise required in this Nomination Criteria, scores achieved by an Athlete in Discipline Events at the Key Competitions referred to in clause 4.7(c) are still included for the purposes of clauses 4.6(b) (next 3 highest scores on 5 Match Ranking List) and 4.8 (Tie-Breaks).

- (d) **Juniors:** For junior Athletes, scores achieved in Key Competitions in Discipline Events restricted for Juniors only cannot be included for MQS purposes.
- 4.8 **Tie Breaks:** In the event, there are two or more Athletes in a Discipline Event with a tied ranking on the relevant **NZSF** five Match Ranking List, the tie will be broken by taking the next highest other score of the Athletes in that Discipline Event from the Key Competitions and for a particular Athlete from any substituted International Competition under clause 4.9 and repeated until the tie is broken.
- 4.9 **Substitution:** If an Athlete wishes to compete in an international competition which is **not** listed in Schedule B2, instead of competing in a Domestic Competition which is listed in Schedule B1 that occurs within a two week period of the international competition:
- (a) The Athlete must apply in writing (e-mail is acceptable) to their Discipline office and to the **NZSF** office with a copy to the **NZSF** Sport Development Manager, to seek approval to do so.
 - (b) The application must be received at the relevant Discipline office and by the **NZSF** Sport Development Manager at least 14 days before the start of the applicable Domestic Competition or international competition (whichever takes place first).
 - (c) If approval of the application is given by **NZSF**, that particular international competition is deemed to be included in the list of Key Competitions for that particular Athlete, **provided that** a MQS score achieved at that international competition cannot be counted as the International Competition MQS score required in clauses 4.2(b)(ii) and 4.6(a).

NOTE: To avoid doubt, except as excluded by clause 4.9(c) or by any other clause, a MQS score achieved in the circumstances in clause 4.9(c) can still be included as a

MQS score for other purposes including for the other requirements of clauses 4.2(b)(i), (iii) and (iv) and for the other requirements of clauses 4.6(a) and (b), and can also be included in a clause 4.8 Tie Break.

NOTE: For e-mail addresses of each Discipline office and the **NZSF** Sport Development Manager see Schedule C. Any changes in the addresses will be notified to all Athletes who have recorded their details under clause 3.1(a). **It is the Athlete's responsibility to ensure that the application is received as required above.** It is recommended that the Athlete pursues confirmation/acknowledgment of receipt from each intended recipient to ensure compliance.

- 4.10 **Extenuating Circumstances:** In any decision regarding the nomination of Athletes to the Team, the **NZSF** Selectors may, in their sole discretion, take into account any extenuating circumstances in accordance with clause 5 below.
- 4.11 **Nomination Procedure:** After consideration of this Nomination Criteria, the **NZSF** Selectors shall follow the procedure set out in clause 7 of the NZOC / **NZSF** Agreement.

5. Extenuating Circumstances

- 5.1 **Extenuating Circumstances:** In considering the nomination of Athletes in accordance with this Nomination Criteria, the **NZSF** Selectors may, in their sole discretion, give weight to any extenuating circumstances which may include, but are not limited to, the following:
- (a) injury or illness;
 - (b) travel delays;
 - (c) equipment failure;
 - (d) bereavement or personal misfortune; and/or
 - (e) any other factors reasonably considered by the **NZSF** Selectors to constitute extenuating circumstances.

If notification of extenuating circumstances in accordance with this Nomination Criteria, does not occur then the **NZSF** Selectors have no obligation to rely on such circumstances.

NOTE: For e-mail addresses of each Discipline office and the **NZSF** Sport Development Manager see Schedule C. Any changes in the addresses will be notified to all Athletes who have recorded their details under clause 3.1(a). **It is the Athlete's responsibility to ensure that the notification is received.** It is recommended that the Athlete pursues confirmation/acknowledgment of receipt from each intended recipient to ensure compliance.

- 5.3 **Medical Certificate:** In the case of injury or illness, Athletes may be required by the **NZSF** Selectors to provide a medical certificate and/or to undergo an examination by a health practitioner/s nominated by the **NZSF** Selectors, and to provide that opinion

and/or report to the **NZSF** Selectors. Any failure to agree to such a request may result in the **NZSF** Selectors being unable to consider the injury or illness as an extenuating circumstance. For such time that there are no **NZSF** Selectors the words "**NZSF** Selectors " in the first sentence of this clause 5.3 are replaced with the words "the **NZSF** Sport Development Manager".

- 5.4 **Case by Case:** In the case of any extenuating circumstance/s, the **NZSF** Selectors will make a decision on a case-by-case basis.

6. Appeal Procedure

- 6.1 **Nomination Appeals:** An Athlete may appeal to **NZSF** against their non-nomination to the NZOC by the **NZSF** Selectors provided that the Athlete has returned a completed:

- 6.2 **Procedures for Nomination Appeals:** Any appeal under clause 6.1 must be made in accordance with the procedures set out in clause 11 of the NZOC / **NZSF** Agreement.

7. Inconsistencies

- 7.1 **NZOC / NZSF Agreement:** In the event there is any inconsistency between this Nomination Criteria and the NZOC / **NZSF** Agreement, the NZOC / **NZSF** Agreement shall prevail.
- 7.2 **IF Qualification System:** If this Nomination Criteria imposes a higher qualification standard or a lesser number of participants than stated by the IF Qualification System, this shall not be regarded as an inconsistency.

8. Amendments to this Nomination Criteria

- 8.1 **Prior to Nomination Date:** This Nomination Criteria may be amended or supplemented from time to time by the **NZSF** Board, before the Nomination Date, provided NZOC has prior approved the amendments and supplements.
- 8.2 **Notice:** All Athletes who have returned the completed Athlete Application will be informed by the **NZSF** Board as soon as possible following approval by NZOC of any amendments or supplements to this Nomination Criteria.

- 9.1 If at the conclusion of the Key Competitions New Zealand holds IOC Quota/s and the Athlete/s that have secured the IOC Quota/s for New Zealand:
- (a) Have achieved the requirements of clause 4.2, the **NZSF** Selectors will consider such Athlete/s for nomination in the first instance; but

- (b) Have not achieved the requirements of clause 4.2, the IOC Quota will be open to Athletes within the Discipline in which the IOC Quota was secured who have achieved the requirements of clause 4.2; and
 - (c) At the conclusion of the last Key Competition, the **NZSF** Selectors will give precedence to the Five Match Ranking List and will consider the top ranked Athlete/s using the average of their Five Match Ranking List score, that have met the requirements of clause 4.2 and will apply to the NZOC have the IOC Quota reallocated within the Discipline; and
 - (d) If more than one Athlete within this Discipline has met the requirements of clause 4.2 and there is a tie in the Five Match Ranking List, the clause 4.8 Tie Break will be instituted.
- 9.2 If New Zealand holds IOC Quota and from within the Discipline that won the IOC Quota there are no Athletes that have achieved the requirements of clause 4.2:
- (a) The IOC Quota will be open to all other Athletes who have met the requirements of clause 4.2 in other Disciplines; and
 - (b) NZSF selectors will consider the top ranked Athlete/s that have met the requirements of clause 4.2 and in doing so the **NZSF** Selectors will rank the Athletes by using the average of their Five Match Ranking List score and this score will be compared to a placing at the 2014 ISSF World Championships in their respective Discipline Event, and the top ranked Athlete will then be the person the **NZSF** Selectors will consider for nomination at their sole discretion to the NZOC have the IOC Quota transferred.
- 9.3 Any requests for reallocation of IOC Quota/s by **NZSF** will be subject to approval by the NZOC and the ISSF.
- 9.4 If New Zealand holds IOC Quota/s and has no Athletes in any Discipline that have achieved the requirements of clause 4.2(b), **NZSF** may surrender the IOC Quota to the NZOC and ISSF for re allocation.
